STATEMENT OF EU REACH COMPLIANCE

The Programmable Power Division of AMETEK Inc. is not a bulk manufacturer or exporter of chemicals that fall under the requirements of the European Union's Registration Evaluation and Authorization of Chemical Substances (REACH) regulations.

To the best of our knowledge all parts and processes used by AMETEK Programmable Power for the development of our products do not contain more than .1% by weight of any Substances of Very High Concern (SVHC) specified on official Candidate List of Substances of Very High Concern for Authorization published from the European Chemicals Agency.
