STATEMENT OF EU REACH COMPLIANCE

The Programmable Power Division of AMETEK Corporation is not a bulk manufacturer or exporter of chemicals that fall under the requirements of the European Union's Registration Evaluation and Authorization of Chemical Substances (REACH) regulations.

To the best of our knowledge all parts and processes used by AMETEK Programmable Power do not contain more than .1% by weight of any Substances of Very High Concern (SVHC). Vendor compliance evaluation and monitoring processes are being put in place to help ensure continued REACH compliance going forward.
